

Information Advice and Guidance Delivered by Children's Centres

How can the team help you?

The team can assist you by:

- Supporting you in returning to, or remaining in work
- Identifying appropriate childcare
- Helping you calculate your entitlement to benefits and tax credits including a better off in work calculation
- Identifying training opportunities
- Introducing you to your local Children's Centre
- Telling you about other support available to your family.

Appointments are available in surgeries held in Children's Centres.
